

Annual Transmittal of State 1099 Forms

Instructions

The DR 1106 Annual Transmittal of State 1099's should be filed in February for withholding taxes reported on Federal form 1099.

If you are filing an amended return you are required to mark the amended return box. A separate amended return must be filed for each period. The amended return must show all tax columns as corrected, not merely the difference(s). The amended return will replace the original return in its entirety.

Any 1099 statements you distribute that contain Colorado state withholding must be sent to the department. Attach this form to the total withholding statements (1099s) that were furnished to each payee.

- If you use the electronic method for filing (Revenue Online, www.Colorado.gov/RevenueOnline), submit this form only if an amount appears on 3A or 3B. Mail to the address shown below.
- If you file paper 1099 statements, you must always attach this form before submitting documents.

For additional information, see publication FYI Income 2.

- ACTIVE (OPEN) ACCOUNTS...the last day in February following the end of the year in which withholdings were made.
