Why Use Direct Deposit?

Convenient: Your refund is deposited directly into your account at the financial institution of your choice.

Safe: Direct Deposit eliminates lost or stolen refund checks.

Reliable: Direct Deposit is done electronically. Your refund is deposited timely, even if you are on vacation or traveling on business.

Direct Deposit requests associated with a foreign financial institution account are classified as International ACH Transactions (IAT). If your income tax refund Direct Deposit is forwarded or transferred to a bank account in a foreign country your Direct Deposit will be returned to Treasury. If this occurs, your refund will be converted to a check (warrant) and mailed to the address on your tax return. Contact your financial institution for questions regarding the status of your account.

- You file electronically. Give your RTN and financial institution account number to your tax preparer. This information will become part of the electronic file.
- You completed the Direct Deposit information on the MI-1040, MI-1040CR or MI-1040CR-2.

General Instructions

If you file an MI-1040CR-7 and are not receiving an energy draft, complete this form to have your check directly deposited into your financial institution account.

First check with your financial institution to (1) make sure it will accept Direct Deposit, (2) obtain the correct RTN and account number, and (3) if applicable, verify that your financial institution will allow a joint refund to be deposited into an individual account.

You may also use Direct Deposit if you file an MI-1040, MI-1040CR or MI-1040CR-2. The request for Direct Deposit information is contained on these forms. A separate *Direct Deposit of Refund* (Form 3174), is not required.

Line-by-Line Instructions

- Lines not listed are self-explanatory.
- Line 5:** Enter the name of the financial institution where the Direct Deposit will be made.
- Line 6:** Enter the 9-digit RTN. The RTN is usually found between the symbols |: and |: on the bottom of your check (see check sample). The first two digits must be 01 through 12 or 21 through 32.
- Line 7:** Enter your financial institution account number up to 17 characters (both numbers and letters). The account number is usually found immediately to the right of the RTN on the bottom of your check (see check sample). Include hyphens but omit spaces and special symbols. Do not include the check number.

You should NOT file this form if:

- You file an MI-1040CR-7 and an energy draft will be issued or a credit will be sent to your heat provider.
- You are a personal representative filing a return on behalf of a deceased taxpayer.
